- **Section 1: Answer to Question Posed by Bidder**
- **Section 2: Pre-Bid Attendees**

Section 1:

Q1: In the pre-bid meeting it was stated that sanitary manhole #1 was not being replaced but it shows as being replaced in the documents and nothing is mentioned in addendum no. 1. What is the status of that manhole for this bid, to be replaced or stay in place?

A1: The existing manhole shown just upslope of SMH-1 at the intersection of Hemlock Lane and Crestmont Drive is the manhole to be replaced under this contract. This is the manhole that connects the sewer in Crestmont Drive to the sewer in Hemlock Lane. An approximated depth of the manhole has been provided in Addendum No. 1.
